

Twenty Eighth Annual Northwestern Regional Conference Call for Participation

You are cordially invited to submit a paper, panel session, tutorial and/or a workshop to the twenty-seventh annual CCSC Northwestern Conference.

Papers, tutorials, and panel discussions are solicited on all topics. Topics include (but are not limited to):

- Accessibility
- Artificial Intelligence
- Computer Engineering
- Computer Science
- Computer Science Education
- Cybersecurity
- Cybersecurity Education
- Distance Education
- Diversity Experiences of Gender, Race, or Other Underrepresented Groups
- Emerging Technologies
- Ethical, Legal, and Societal Issues
- Faculty Development/Support
- Graphics/Image Processing
- Human-Centered Design or HCI
- Information Technology
- Networking
- Software Development/Engineering
- Student Research

DEADLINE

All submissions are due by **11:59 PM PDT, Monday, June 30**. Submit at: <http://www.ccsc.org/northwest/2026>.

PAPER SUBMISSIONS

Papers are peer reviewed and published in the Journal of Computing Sciences in Colleges. Submissions must be original (not under review elsewhere). Papers are limited to 10 pages (single-spaced, including references) with an abstract of up to 300 words. Formatting guidelines: <https://ccsc-journal.github.io/ccsc-editor/>.

For questions, contact the **Papers Chair, Lucas Cordova** (lpcordova@willamette.edu).

TUTORIAL AND PANEL SUBMISSIONS

Submit a proposal (max two pages), list of participants, and full contact information for the contact author.

For questions, contact the **Panels and Tutorials Chair, Radana Dvorak** (rdvorak@stmartin.edu).

STUDENT POSTER SUBMISSIONS

Undergraduate students (including recent graduates) may submit an abstract describing their research or project. Submissions are due Monday, September 15 and should be emailed to the **Student Posters Chair, Fred Agbo** (fjagbo@willamette.edu). Each poster requires a faculty sponsor; a template is available on the conference website.

For more information, contact **Fred Agbo** (fjagbo@willamette.edu).

LOCATION AND DATE

Held at **Whitman College** in **Walla Walla, Washington** on **October 9-10, 2026**.

ABOUT CCSC

The Consortium for Computing Science in Colleges (CCSC) is a nonprofit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning.

For any questions regarding the conference, contact **John Stratton** (strattja@whitman.edu)

Conference website:
