Pam Smallwood (psmallwo@regis.edu)

\* For full committee see CCSC RM Website.

You are cordially invited to submit a paper, panel, tutorial, poster, and workshop contributions to the ***Thirty-Fourth Annual CCSC Rocky Mountain Conference.***

## Reasons to attend

- Network with colleagues from regional colleges and universities.
- Get credit for a paper accepted by a double-blind review.
- Expand your skills through tutorials or workshops.
- Explore National Parks and other sites in and around Utah: The Crossroads of the West.

## About CCSC

The Consortium for Computing Sciences in Colleges is a nonprofit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning, which are typically non-research in orientation.

## Submissions

- Paper, panel, tutorial, and workshop contributions on the structure, delivery, support, and societal context of Computing Education. This year we also welcome submissions addressing Information Technology and Cybersecurity Education as well.
- Formatting: <https://ccsc-journal.github.io/ccsc-editor/>
- Submissions are double-blind referred.
- Accepted papers will be published in the Journal for Computing Sciences in Colleges and the ACM Digital Library.
- Rejected papers will be offered to participate as a poster submission.
